

WBDE 2021

November 20-22, 2021 | Virtual Conference

OVERVIEW

2021 Workshop on Big Data Engineering will be held as a Virtual Conference with its first edition during November 20-22, 2021 jointly with ICSCGE. The workshop aims to promote an exchange of recent and advanced information among scientists and engineers in the wide field of big data engineering and related technologies. The forum is also aimed particularly at promoting communication and collaboration between fundamental researchers and those engaged in the development of practical technology in respective areas of big data engineering.

IMPORTANT DATES

Submission Deadline:

- July 5, 2021

Acceptance Notification:

- July 30, 2021

Registration Deadline:

- August 15, 2021

Conference Date:

- November 20-22, 2021

GET IN TOUCH

Conference Secretary:

Ms. Scenario Jiang

Tel.: +86-28-86512185

Email: wbde@academic.net

Website: <http://www.wbde.org>

PUBLICATION

Conference Proceedings

- Submissions will be peer reviewed by conference committees, and accepted papers will be published in the conference proceedings, which will be indexed by EI Compendex, Scopus, etc.

IJMLC (<http://www.ijmlc.org>)

- Submissions will be reviewed by the conference committees and IJMLC editorial board, and accepted papers will be published in International Journal of Machine Learning and Computing, which will be indexed by Inspec (IET), Google Scholar, Crossref, ProQuest, Electronic Journals Library, etc.

CALL FOR PAPERS

- Computational intelligence
- Open data and big data analytics
- Internet of things
- Pattern recognition
- Cybersecurity
- Networks and communications
- Security and regulations
- Data collection Data security and privacy
- Data visualization
- Artificial Intelligence & Data Analytics for smart cities
