TO THE DIRECTOR, HEALTHQUEST, SYDNEY

RE: LOZA Pene Ann
DOB: 20/01/54
EMPLOYED BY: TAFE Commission

I hereby declare that on the ninth day of October in the year 1992, I carefully examined the abovenamed.

I find that she is suffering from situational reaction manifesting as severe migraine .

I am of the opinion that she is in consequence unable to discharge the duties of her office. I am further of the opinion that her disability will in all likelihood prove permanent.

It is possible that she could be employed by an alternative organisation in a similar or related role to her substantive position.

I have no reason to suspect that such invalidity may be due to the fault of the officer.
