Dear Ms Kerrison

I refer to your letter of 27 April 1998 with respect to the alleged treatment of whistleblowers in the New South Wales public service.

The observations you have made are receiving serious consideration at present and the views of two of the agencies you mentioned in your letter - HealthQuest and WorkCover - have been sought in relation to the points you have raised.

You will be notified of the course of action to be adopted by the NSW Premier's Department as soon as practicable.

Yours sincerely

C Gellatly
Director-General
