Dear Ms Kerrison

**Re: Complaint against Health Quest**

Just a short letter to update you as to what is happening with the matter you reported to Inspector Walsh and I. As Inspector Walsh indicated the file was forwarded to the Police Operational Advice Section.

The file was returned with the recommendation that it passed on to the ICAC for further consideration. The file has since been forwarded to the ICAC for further consideration and Inspector Walsh and I are currently waiting for the results of this.

When these results are known either Inspector WALSH or I will contact you and advise you of same.

Regards,

  
P.C. Constable T.N. Flaherty
