Dear Mr Sant'Angelo

I refer to your email to the Hon. John Della Bosca MLC, Minister for Industrial Relations, alleging use of government funds to persecute whistleblowers employed in Government Departments. The Minister has asked me to respond on his behalf.

The Government takes seriously and considers any evidence that may demonstrate that a whistleblower is being persecuted.

I have looked into the material provided on the websites referred to in your email, and can find no information to support your claims that whistleblowers have been persecuted by the Government.

Yours sincerely
