Dear Crown Solicitor's Office

Attached is your distressing letter over the signature of Chris Fesel which I received today. It does not include, nor do I have knowledge of your alleged "schedules" etc. I deny that I owe any such money.

As this communication is addressed C/- Mr D Kerrison you are aware that:

- a) I do not have legal representation and have no protection against being unfairly harassed and duped by 'legal language and processes'.
- b) proceedings you mention, amongst other things, appear to greatly exceed the statute of limitations;
- c) you hold (and use as if legitimate) the seemingly fraudulent HealthQuest "Retirement Certificate" which I reported to police, Premier, Prime Minister, etc during the past 7 years as crime and resultant criminal actions against me; and I again reported it to police etc this year [http://www.wbde.org/documents/Reporting Apparent Crime Submitted 6%20February 2.pdf](http://www.wbde.org/documents/Reporting%20Apparent%20Crime%20Submitted%20February%202.pdf)
- d) victimisation impacts against my ongoing cancer treatment including depression
- e) unlike the 'help' and 'justice' you accorded to Wood Royal Commission paedophile "DZ" ( <http://www.wbde.org/documents/WoodRoyalCommissionReDOCSpaedophile.php> ) Crown Solicitors, TAFE and its lawyers knowingly deny me procedural fairness in their decisions since 1995 and freely spend unlimited public monies propping this up in court. You would be aware, or should be aware that all of your clients' decisions against me through the years of TAFE and HealthQuest acting to discredit me are or should be null and void due to their denial of natural justice and stemmed from my truthful reports in TAFE

In light of the above, it may appear that your letter is further harassment; an attempt to illegally or unfairly enrich yourself and/or TAFE; and another attempt to harm/silence me and my reports of serious wrongdoing in TAFE; i.e. direct contravention of UN Convention Against Corruption of which Australia is a signatory.

I ask you to cease and desist your pursuit immediately; turn your publicly funded resources to correcting any and all of your and your clients' injustice against me; and not indulge in perceived corrupt acts.

Yours faithfully,

**Val Kerrison**
